

REACH - CLP - RoHS – CMR - VOC Declaration

date : January 1, 2025

We here through confirm that TWEHA Adhesive products and TWEHA Adhesive's vendors treat all in production and sales used chemicals according to REACH (Registration, Evaluation and Restriction of Chemicals).

REACH

We want also to inform you that no TWEHA Adhesive product contains substances which are mentioned in REACH –SVHC list (Candidate List of Substances of Very High Concern) which are described in article 57 of this directive (EC) No. 1907/2006 (The REACH Regulation). This is also valid for the amendments of the SVHC list. Furthermore our products do not contain any substances which must be classified according to article 57 following („Equivalent level of concern having probable serious effects to the environment (endocrine Disruptor“).

CLP

The CLP regulation stands for the implementation of the UN undertaking GHS (Global Harmonized System) into European law. First of all we confirm that all TWEHA Adhesive products are registered according to the CLP Regulation and are CLP conform. Our Material Safety Data Sheets are permanently updated and can be seen on our website tweha.com.

RoHS

RoHS stands for “the Restriction of the use of certain hazardous substances in electrical and electronic equipment”. To the best of our knowledge, and based on component-supplier's information, TWEHA Adhesives products conform to the EU Directive 2011/65/EU (RoHS II) as well as to the amendment EU Directive 2015/863 (RoHS III). These products do not contain any hazardous substances above the specified limits.

CMR

In addition we confirm to the best of our knowledge and based on supplier's information that TWEHA Adhesive products do not contain any CMR Materials (Conflict Minerals Reporting) respectively raw materials/minerals out of conflict or high risk areas. Please also have a look to REGULATION (EU) 2018/821.

VOC

All TWEHA Adhesive Products (packaging included) are free from substances listed in VOC Regulations included all amendments.

Yours sincerely

TWEHA Special Products
